	120326	AW12-R32-S-V8	Air/water 12kW, V8 R32 Split outdoor unit 230V/1-ph/16A	€ 3 172,56		

INSIDE UNIT CONTROLBOX
A+++
 Control your heating system.
 Eco-friendly refrigerant R32.
 User-friendly touch display.
 Ethernet connection.
 2 different temperature zones.
 Automatic restart in case of a power failure.
 Operates in conditions down to -30°C.
 Low investment – short payback time.
 Low noise design.
 Dockable solution for hybrid systems.
Designed for a Nordic climate.

ES AWST R32 V8: Inside unit with Tank AW S T and outside unit AW (DC Inverter Heat pump air/water R32) Split (refrigerant R32, Low noise version)			*30dB Low Noise	A+++ High efficiency heat pump	R32 R32 eco refrigerant
